OCTOBER NEWS

CHRISTMAS RAFFLE : Pontings have donated a wheelbarrow once again for the Christmas raffle. They have been exceedingly generous in donating a variety of other goods as well, including a swag, power tools and towing tube for behind a boat.

Raffle books are ready for your collection on the table in the clubrooms. This is our main money raiser for the season, so it would be fantastic if we could sell all of our tickets.

In the past we have had at least 6 prizes, with many worthwhile items. Items to add to the prize pool can be brought in from now on. Some members pool together to provide bigger items. The raffle will be drawn Wednesday 20th December.

OTHER NEWS from the board

\$5293.87 has been paid to the Tennis Club for our shared expenses for 2023-24 season covering electricity, rates, water, garbage and cleaning.

Insurance

Our current insurance is due to expire shortly; an alternate quote including cover for the green of \$100k is being sought.

Strategic Planning

It was decided to wait until we know exactly what is to be done to the ceiling of the club room and to arrange for the ceiling above the kitchen and bar to be replaced at the same time as the main ceiling, if this is not part of the work to be done by Council. This may require funding by the club. Once the ceiling matter has been resolved our next priority is to be the provision of shade/shelters on the eastern side of the green.

New Member :

The membership application from John Milroy was accepted with pleasure.

Signage

Star Printing have been asked to prepare a quote for WLTBC signs to go on the club room windows.

Life Membership

Marian Treweek was nominated for life membership of WLTBC. The nomination will be presented as a special resolution at our next annual general meeting.
